40th Anniversary Edition

ITALY

Rich Jewellery Inc.

Dear Clients,

We are excited to commemorate our 40th anniversary with a new catalogue featuring our exceptional collection of fine jewellery. Inside you'll find our most timeless and successful core lines, along with new and carefully selected contemporary offerings. As always, this includes 10K, 14K, 18K and 24K gold, as well as sterling silver and diamond jewellery.

Established in 1979, our family-run company has become recognized for offering the highest quality merchandise priced competitively for our North American retailers. One of the ways in which we excel at this is through our close relationship with UNOAERRE – a world-leader in jewellery manufacturing. Established in Arezzo, Italy, in 1926, their reputation is built on incomparable craftsmanship and reliability. As with any manufacturer we select, they exemplify the high standards you expect and deserve.

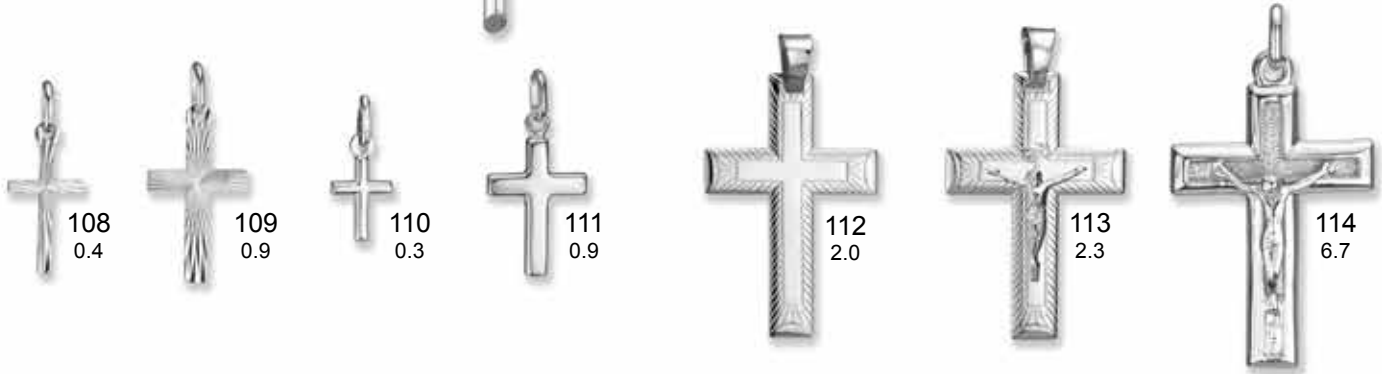

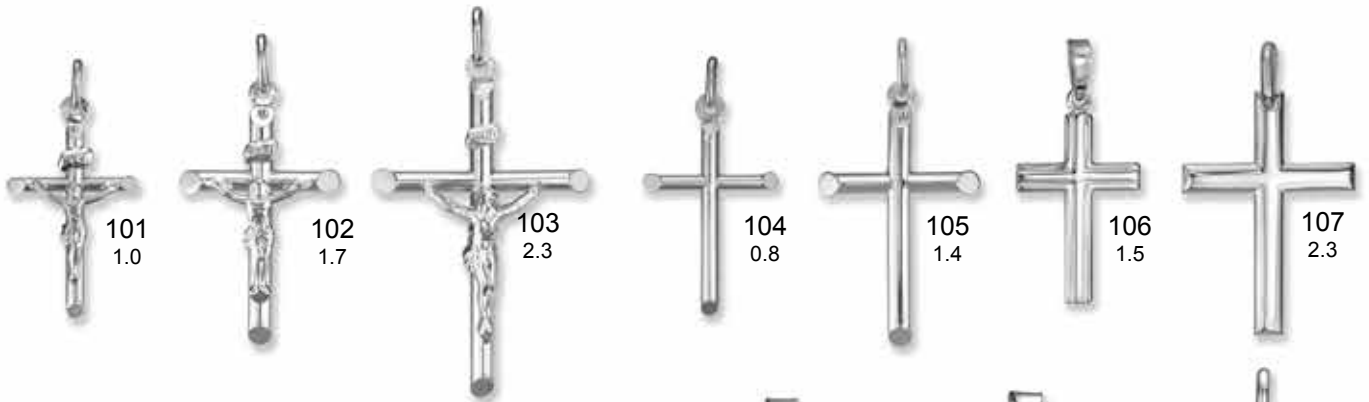

As we celebrate this incredible milestone, we would like to say a heartfelt thank you to our loyal clients. We have been privileged to work with you over the years and look forward to many more.

We would also like to extend a warm welcome to new clients. We are here to make your supply experience seamless with swift order fulfillment and a high level of personalized service.

With much appreciation to all of you on this special occasion,

Rich Jewellery Inc.
